Sans Souci.

The most lovely spot on Oahu is Sans Souci. This favorite seaside resort, which has been immortalized by the pen of Robert L. Stevenson, who resided there for months, is only four miles from Honolulu and within easy reach of the tramcars. The surroundings and bathing at this famous resort are superior to anything found in the Hawaiian Islands. Cottages and board can be obtained on easy terms. The table set by the manager is better than any offered here at other hotels. For picnics, bathing parties and outings the best accommodation can be secured by giving notice to the manager.
